Message from the District Governor

Greetings Lions,
International President Fabricio Oliverira's message is "Make Your Mark". President Fabricio sums it up this way: Everywhere we serve, every time we give, we bring kindness and compassion, change and hope. And we make our mark on the lives we touch, the communities we serve and the world we share".

"Spreading seeds of Kindness" is my message. My pin tells the story.

The shape of my pin is a butterfly. Long as I can remember I have been fascinated watching and chasing butterflies. They can fly, they glide through the air with their strong wings, they enjoy smelling the flowers and they are pollinators.

There are many species of butterflies which come in many shapes, sizes and colors. They are found all over the world except for Antarctica. And some can travel a long distance.
Butterflies change throughout their lifespan. From a caterpillar that eats and eats until it turns into a chrysalis. Inside the chrysalis a change is taking place, metamorphosis, and then into a butterfly.

Now here is the spreading seed part. I knew I wanted a yellow flower, because yellow is my favorite color. I thought of many, but I needed a flower that you can see its seeds floating in the air. I chose the dandelion.

Dandelions can be quite irritating to someone that does not want them in their yard. The roots grow deep and strong, they force out other plants and they are hard to get rid of. When you mow them, they seem to duck down and pop up after you have mowed over them. Lions are strong and determined just like dandelions. They work hard to get the job done.

When the seeds of the dandelion form they form into a soft white ball. Each white part has a seed attached. You can make a wish and blow all the seeds into the air. The wind does a wonderful job of spreading the seeds to start a new generation of dandelions to continue the cycle of kindness.

As lions we are out spreading seeds of kindness. We help those who cannot see and help to prevent blindness. We are providing better care and resources for those with diabetes. We are supporting children with childhood cancer and maybe someday find a cure. We are helping those that are hungry. We are helping our environment by picking up trash, recycling and planting trees to make this a better place for human kind and all the creatures of the world.
So, continue to "Make Your Mark" by Spreading Seeds of Kindness",

DG Jill Skinner

HOW TO CONDUCT A SUCCESSFUL MEETING

MEETING PLANNING:

- A. Prepare and circulate an agenda before each meeting.
- B. Start on time and get right to business.
- C. Have your Club Secretary record the minutes.
- D. Keep discussion on the topic focused.
- E. Politely cut off dominating talkers.
- F. Stick to the agenda and end the meeting on time.

General protocol:

- A. In opening a meeting we, as civilians, do not “Salute” the Flag or have a Flag “Salute”. We “Pledge Our Allegiance” or have the “Pledge of Allegiance”.
- B. When you are responsible for the Pledge of Allegiance, it is better to invite everyone to repeat “with” you rather than asking everyone to repeat “after” you or “follow” you in the pledge.
- C. We do not ask someone to “lead us” with the Invocation. It is better to ask them to “give” the Invocation.
- D. The principal speaker is usually the only person required to acknowledge all Dignitaries present, in the Order of Precedence.
- E. President-seated in center of the table or to the left of the podium.
- F. Speaker and Honored Guest-seated to the President’s right.
- G. Program Chairman-seated to the right of the Speaker.
- H. American Flag to the President’s right as he faces the group.
- I. Club Banner-display at the President’s left or directly behind the rostrum.

LION CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in work, act and deed. To give them freely of my time, labor, and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS CLUB OBJECTIVES

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

We Serve

The Lions Prayer

*Where Lions meet be present Lord,
To weld our hearts in one
accord, To do thy will
Lord, make us strong,
To aid the weak and right the wrong.
Amen*

The Lions Toast

*Not above you, not beneath you, but
with you.*

Lions Prayer with Food

*Lord, as we Lions gather here
We pause to offer up this prayer,
Bless now this food we partake
And every effort that we make
To build the towns in which we live
And put it in our hearts to give
To worthy causes, bless the
blind And all we do to
serve mankind.
Be with us till we meet
again And bless our
lands and homes.
Amen*

Lions Benediction

*And now may the
Lord Bless you and
keep you.
May the Lord be gracious unto you.
May the Lord lift up his countenance
unto you,
And give you
peace, Now and
forever more.*
